

## 5 KOÇ GROUP COMPANIES AMONG THE 10 LARGEST PRIVATE SECTOR CORPORATIONS

According to the 500 Largest Industrial Corporations Survey of İstanbul Chamber of Industry (ISO) for 2003, there are 5 Koç Group companies (Ford Automotive, Arçelik, Tofaş, Aygaz and Beko Electronics) within the first 10 largest private sector corporations.

With Ford Automobile going up to the 2nd rank on the general list this year, a private sector company ranks the second on the list for the first time.

According to the results of the survey, Koç Group maintained its position of being the largest industrial group in Turkey with the turnover, profits, exports and headcount figures of 17 of its companies.

Koç Group companies proved to be the largest industrial group representing 11% of the 500 largest industrial corporations and 13% of the private sector.

The total exports of the Koç Group companies that made it to the list last year constituted 13% of the total private sector exports while this figure went up to 15% this year with 3.3 billion dollars worth of exports in 2003 with an increase of 1.1 billion dollars as compared to last year.

Meanwhile, Koç Group companies constituted 14% of the total of the private sector in profitability with 997 trillion liras.

17 companies that made it to the list are also among the first in terms of headcount with a total of 28,898 employees.

## KOÇ GROUP'S STANDING in ISO'S SURVEY on the 500 LARGEST INDUSTRIAL CORPORATIONS
